Ms.

Dear Ms.

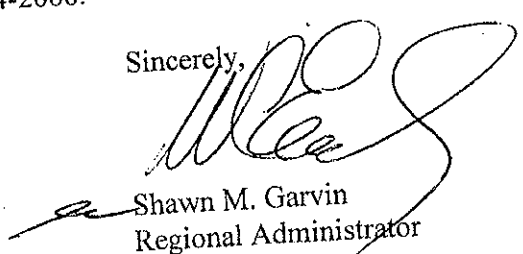

Thank you for your letter of May 17, 2010 to Senator Barbara A. Mikulski regarding the River Point Landing Partnership and spoils on Elk River Park, Maryland.

The U.S. Environmental Protection Agency (EPA) has contacted Cecil County, the Maryland Department of the Environment, and the U.S. Army Corps of Engineers to gather information regarding your questions and are awaiting their response.

Since we have been unable to find the exact location or contact information for the River Point Landing Partnership, Forest Stand One at River Point Landing West or Elk River Park, we would appreciate you contacting Mr. Tom Uybarreta of my staff at 215-814-2953 or at uybarreta.thomas@epa.gov with that information.

If you have any additional questions, please do not hesitate to contact Mrs. Linda Miller, EPA's Maryland Liaison, at 215-814-2068.

Sincerely,

Shawn M. Garvin
Regional Administrator
